

# Felt Computer / Laptop Desk Pad & Mouse Mat with Pen & Paper Compartment

**BY ACCURATUS**

ACC-MAT-A03-XXX

## About

Create a stylish and organised workspace with this premium felt desk pad and mouse mat, made from soft yet durable recycled felt material. Designed for use with laptops and computers, it provides a smooth surface for precise mouse movement while enhancing the look of your desk or office. Featuring integrated compartments for papers, notebooks, or a laptop, along with a convenient pen holder, this versatile desk pad is perfect for both home and office use. Its foldable design allows you to easily carry it alongside your laptop and quickly set up an organised workspace wherever you go. When fully opened, the extra-large surface measures 72.5 x 33 cm, providing ample space for a monitor, keyboard, mouse, laptop, writing pad, and other desk essentials. Available in various colours.
