Accuratus 6963 - Premium Real Wood & Wheat Grass Rechargeable Bluetooth Earbuds

About

The Accuratus 6963 Bluetooth earbuds are from our eco range, created using FSC certified woods and ABS + Wheatstraw biodegradable plastics! Featuring a matching rechargeable charging box, capable of recharging both earbuds twice in just 1 charge and upto 4 hours playtime when both earbuds are in use. The 6963 earbuds have an easy one touch button allowing call answering, song playback, volume adjustment and voice assistant. To complete the package inside each earbud is a premium 6mm brass driver for excellent sound quality.
