

Premium Bamboo and Plastic ANC & ENC Noise Cancelling Rechargeable Bluetooth Earbuds

Order Code: HEA-8763-BTBAMBO-W

Accuratus 8763 - Premium Real Wood & Wheat Grass Rechargeable Bluetooth Earbuds - White

### About

The Accuratus 8763 Bluetooth earbuds are from our eco range, created using FSC certified woods and recyclable plastics! Featuring a matching rechargeable charging box, capable of recharging both earbuds seven times in just 1 charge and up to 5 hours playtime with ANC active when both earbuds are in use. The 8763 earbuds have an easy one touch button allowing call answering, song playback, volume adjustment, ANC mode and voice assistant. To complete the package inside each earbud is a premium 13mm brass driver for excellent sound quality.
