

105 Key Washable IP68 Antibacterial Medical Keyboard

Order Code: KYB-MED-AQUA-UB (USB BLACK)
Accuratus AccuMed AQUA - USB 105 Key Antibacterial & Fully Washable IP68 Medical / Clinical Keyboard

About

The AccuMed AQUA is similar to a standard keyboard in looks but has a unique feature, it is fully sealed so can be completely submersed, washed and cleansed. The complete keyboard even has Antibacterial protection, designed to deactivate bacteria, virus, fungi and algae over time. The Accuratus AccuMed range of medical grade keyboards & mice are specifically designed for environments which have to meet very high hygienic requirements such as hospitals, dental practices, cosmetic surgeries, doctors, vets, laboratories and in food & pharmaceutical production areas. Not only could these keyboards be used in hygienic areas, they would also be perfect in dusty, dirty and wet situations like workshops, boats and in vehicles.
