Accuratus Bioplastic CAM900 Webcam - Bioplastic Full HD USB Webcam with White Biodegradable Case

UK  
CA FCC E

## About

The Accuratus Bioplastic CAM900 Webcam combines high-performance video conferencing with environmentally conscious design. Crafted from sustainable wheatgrass bioplastic, its plastic-free housing is biodegradable and compostable, helping to reduce environmental impact without compromising on quality. Delivering crystal-clear Full HD 1080p video through a true 2MP CMOS sensor and glass lens, the CAM900 ensures sharp, professional video calls for work, education, and collaboration. A built-in microphone and simple USB plug-and-play connectivity make setup effortless, while the slide-able privacy lens cover provides added security when the camera is not in use. Available in a range of contemporary colours, the CAM900 is the ideal choice for users seeking a reliable webcam that supports a greener, lower-carbon computing journey.

## Specifications

- Designed to work with Microsoft Windows OS
- Slide-able lens cover for privacy
- Full HD resolution : 1920 x 1080p
- True 2MP CMOS sensor without interpolation, REAL 2MP for excellent clarity
- Lens : Glass
- FOV (Field of view) : 67 degrees, with focus distance of 8cm +
- Integrated microphone
- An excellent counterpart to your greener and lower carbon footprint computing journey
- Brown box environment friendly packaging with ocean friendly internal packaging, no plastic bags are used the product is wrapped in recycled paper. Paper, plastic free labels are also used on this product

## What is Bioplastic?

For several years, Accuratus has worked to create a fully biodegradable bioplastic. After extensive research and testing we are proud to reveal the CA-BI002-2023Rev2 Bioplastic, made using wheatgrass and formed from a natural polymer called lignin, which is found in straw. The straw is broken down by bacteria and then mixed with natural sugars, becoming a workable material with similar properties to plastic – without the use of any artificial chemicals or fossil fuels. The result is a range of stylish, high-quality products, with all the quality of life features you've come to expect from Accuratus.

## Physical Specifications

- Dimensions: 48x65x96mm
- Weight: 123g

- EAN: 5060756096837 (White), 5060756096844 (Black)  
5060756096912 (Blue), 5060756096929 (Green)
